Job Title: Technician (Electrician)

Location: G3 Trois-Rivières (Québec)

G3 Canada Limited is a progressive and continuously growing company. As part of our commitment of building a smarter path from farmers' fields to the global market, we are establishing a highly efficient coast to coast Canadian grain enterprise designed to provide a unique competitive alternative to farmers and superior service to customers and stakeholders. The integrity and resourcefulness of our people are foundation of commitment.

Based in Trois-Rivières and reporting to the electrical maintenance supervisor, the role of the electrician is to carry out efficient electrical maintenance of the Terminal's infrastructures and equipment. The electrician must work closely with the mechanical maintenance and operation departments in accordance with the procedures and policies of G3 Canada Limited. Finally, the electrician may be called upon to work on day, evening, night and weekend shifts.

Responsibilities and duties include, but are not limited to:

- Carry out electrical maintenance work in accordance with the priorities established by the maintenance department;
- Maintain electrical distribution, motors, automated equipment;
- Perform troubleshooting and calibration of computerized PLC and HMI systems;
- Install and start up new equipment when required;
- Ensure effective communication with the maintenance and management team of the maintenance department, as well as with all in-house departments;
- Ensure that work orders are properly completed;
- Conduct safety inspections and ensure communication of results with maintenance supervision;
- Respect work procedures and work safely.

Qualifications:

- College diploma in electrical engineering or equivalent
- 3 to 5 years of relevant experience
- Proficient in reading electrical diagrams
- Industrial automation control
- Knowledge of medium voltage electrical distribution
- Electricity Qualification Certificate (License C)
- Bilingualism (asset)
- Intermediate knowledge of computer tools
- Working conditions: outdoor and indoor work, heat / cold / humidity, heights, enclosed spaces. Overtime occasional evening and weekend, healthy working climate.

G3 provides the opportunity to have a challenging and rewarding career that will allow one to be part of a growing and dynamic company while offering a competitive salary and benefits package. Join our diverse team of talented professionals who call G3 home!

Building a smarter path from farmers' fields to global markets.
